

# Do You Know Your Risk?

Benchmark helps you determine the issues that put you at risk of detrimental fines & penalties!

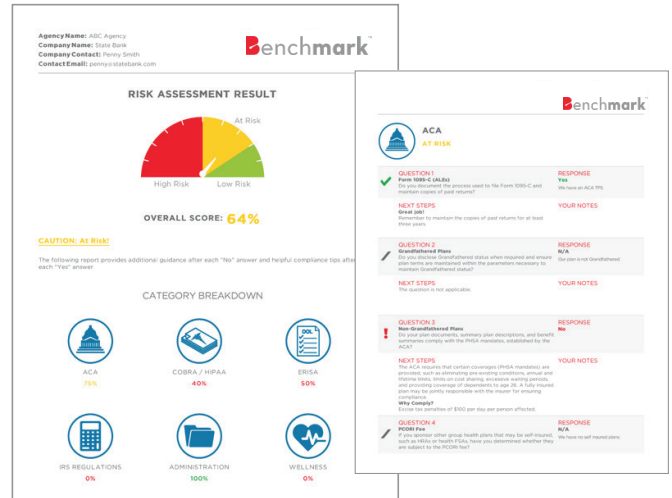

We are here to make the intimidating job of compliance easier. So relax, and let us help you develop and execute a simpler plan!

## 1. ASSESS

the issues that put you at risk for a lawsuit or audit by answering questions about your compliance efforts.

## 2. REVIEW

a report of your overall compliance risk with your adviser.

## 3. DEVELOP

a more direct path to compliance success with your adviser, based on your results!
