

DO YOU  
KNOW YOUR

# HIPAA IQ?

**WORK FROM  
HOME EDITION!**

Compliance  
Dashboard®

## DO YOU KNOW...

- ...which benefit plans must comply with HIPAA?  
(Don't forget about HRA, FSA, or Wellness Programs!)
- ...that health information volunteered by an employee to the employer is not PHI but it is still confidential?
- ...which employees require access to PHI and which do not?
- ...how your business' action plan (in the event of a PHI breach) may change while working remotely?

## HAVE YOU...

- ...ensured employees have contact information for your Privacy & Security Officers?
- ...implemented HIPAA training for employees working remotely?

## ARE YOU...

- ...confident in your business' Risk Assessment policies and procedures for remote access?

## DO YOU HAVE...

- ...IT professionals reviewing and implementing necessary systems changes to ensure PHI is protected while working remotely?
- ...compliant Business Associate Agreements in place?

**Your HIPAA IQ Score: \_\_\_\_\_ /10**
